¡GREAT VACATION!

Hi Juan

How are you? My vacation was great.

We went to Playa del Carmen first. We went to some markets. They had clothes, food, and lots of other things. They are cool. I bought beautiful clothes. Playa del Carmen is a cool coastal resort town located on Mexico Yucatan Peninsula in Quintana Roo. Besides being the heart of Mayan Riviera, Playa del Carmen has an invitingly relaxed atmosphere.

Then we went to Tulum. It was very exciting. We ate in a beautiful restaurant; the food was delicious, fish, rice and vegetables. People are very friendly. The majestic tourist area of Tulum is an ancient Maya city with a beautiful view of the crystal clear waters of the Caribbean Sea. Tulum has a fascinating beach and a culture and history-filled flair! In ancient times it was one of the most important Mayan ports. This city is so impressive that even paintings can be seen in their temples.

Finally, we went to Xcaret , Xcaret is a 250-acre ecological theme park located on a beautiful stretch of coastline. Visitors come to learn about the area's ecology and Mayan history, relax on the beach, float down one of two subterranean rivers, swim with dolphins.

It was an incredible experience.
