

"Hay que alcanzar la exaltación verdadera, para lograrlo, hay que ser serenos, sin prisas, estudiar, trabajar y disciplinarse"

1er. semestre grupo: ____ Turno: _____ Máquina No.: _____ Fecha: _____

Alumno: _____

Clase No. 15 presencial

Menciona las partes de la ventana de Excel y atrás de la hoja explica cada una de ellas.

El 3 de noviembre de 2023 se cierran todas las actividades presenciales y las de línea. (classroom)

The image shows a screenshot of the Microsoft Excel application window. The title bar reads "Libro1 - Microsoft Excel". The ribbon includes tabs for Inicio, Insertar, Diseño de página, Fórmulas, Datos, Revisar, Vista, and Programador. The ribbon is currently set to the "Inicio" tab, showing options for Font (Fuente), Alignment (Alineación), Numbers (Número), Styles (Estilos), and Cells (Celdas). The worksheet grid is visible with columns A through L and rows 1 through 17. The active cell is A1. The status bar at the bottom shows "Listo", "Hoja1", "Hoja2", "Hoja3", and a taskbar with "Inicio", "Microsoft Excel - Libro1", and "Microsoft PowerPoint ...".

There are 15 empty rectangular boxes with arrows pointing to specific parts of the Excel interface:

- Box 1: Points to the top-left corner of the application window.
- Box 2: Points to the ribbon area.
- Box 3: Points to the "Inicio" tab.
- Box 4: Points to the Font group (Fuente).
- Box 5: Points to the Alignment group (Alineación).
- Box 6: Points to the Numbers group (Número).
- Box 7: Points to the Styles group (Estilos).
- Box 8: Points to the Cells group (Celdas).
- Box 9: Points to the worksheet grid.
- Box 10: Points to the column headers (A-L).
- Box 11: Points to the row headers (1-17).
- Box 12: Points to the active cell A1.
- Box 13: Points to the status bar.
- Box 14: Points to the taskbar.
- Box 15: Points to the system tray.
